### Alison Sweeney Flips The Script In New Hallmark Reverse Romance "This Time Each Year" By Zhanna Slor

It's nearly Halloween, which means Christmas season is just around the corner! Don't worry: Hallmark is on it. Between its Countdown to Christmas, which began Oct. 18 on Hallmark Channel, and Miracles of Christmas, which begins on Oct. 24 on Hallmark Mystery, there's no shortage of all-new Christmas movies to help you celebrate the holidays — and, this year, you don't even have to wait until November.

So, what's the difference between the two holiday film lineups? "Countdown to Christmas on Hallmark Channel is a little more light and fun and funny," explains Hallmark regular and star of the upcoming first film on Miracles of Christmas, *This Time Each Year*, Alison Sweeney. "I think that Miracles of Christmas hits you a little deeper. It goes into your heart and pulls your heartstrings a little bit in a different way."

In *This Time Each Year*, which premieres Oct. 24 on Hallmark Mystery, Sweeney and Niall Matter play separated couple Lauren and Kevin during a challenging first holiday trying to co-parent their

young son. When Lauren's mother comes to visit unexpectedly, she asks Kevin to pretend they're still a family, because she hasn't yet told her mother about their breakup. Keeping up this ruse, however, reminds both Lauren and Kevin what brought them together in the first place, and makes both of them wonder if reconciliation is possible.

"What I loved about this movie was that their love is a deep love of two people who really knew each other well, and they have to find their way back to each other," Sweeney says of the film. "And that's such a different journey."

"Christmas is hard," she adds. "I just thought we could address that issue in a way that was relevant and real to a lot of families without taking away from the magic of Hallmark and the Christmas spirit. Telling the story of a couple that's been married for 10 years, and obviously still love each other, but they have these problems between them and [they're] working through it, finding their way back to each other — it felt very timely and important and special."

### Vulnerabilities Come Into Play On New Season Of "The Equalizer"

Meditation, yoga and tending her successful New York bar. That's the new routine for sharpshooter Mel (Liza Lapira) in the premiere of *The Equalizer* (Sunday, Oct. 20 on CBS), in the action drama's fifth season. It picks up a couple of months after she quit the team in May's finale, following the trauma of being kidnapped and nearly killed by brothers avenging their father's death. They believed Mel had shot him without reason in a wartime raid. "She's in healing mode and very apart from the case," says Lapira. Mel has the full support of her husband, hacker Harry (Adam Goldberg), even though he's still working for equalizer Robyn McCall (Queen Latifah), who, in the premiere, races to rescue two siblings who run into trouble after stealing a grocery truck carrying firearms. "Robyn wants Mel to be 100% emotionally healthy, but at the same time, she's losing her right-hand woman," Lapira notes. "It makes her physically and emotionally vulnerable." Also making her vulnerable? Robyn's detective love interest Marcus (Tory Kittles) has left town, with her tearful blessing, for a new job. — Kate Hahn

## Like Father And Son ... Literally

The ties that bind bring father-and-son funnymen Damon Wayans (*My Wife and Kids*) and Damon Wayans Jr. (*Happy Endings*) together for a sitcom that's legitimately close to home in *Poppa's House* (Mondays beginning Oct. 21 on CBS). "We're

making a classic family sitcom, and our little spin on it is that we're doing it with an actual family," exec producer Dean Lorey explains. Even more Wayanses are working behind the scenes. "We have, on the writing staff, Kim Wayans, Shawn Wayans and Michael Wayans. It's a very fun family atmosphere for us." In the multicam comedy, the elder Wayans stars as "Poppa," a longtime no-holds-barred radio host dealing with all sorts of noise on both the personal and professional fronts. At home, he's got aspiring-director son Damon (Wayans Jr.) living next door with his wife Nina (Tetona Jackson, *Good Trouble*) and their two kids.

But it's not the little ones gramps has to worry about — it's Damon. He refuses to grow up and get a real job, and he needs a steady source of parental supervision.

At work, things are just as sticky after Poppa's unexpectedly paired with a sophisticated new cohost, Dr. Ivy Reed (*First Wives Club's* Essence Atkins). Before their show even premieres, it becomes clear the brainy psychologist and brash shock jock do not share the same frequency — and probably shouldn't even share the same studio — until Poppa and Damon find a way to help each other out.

Which also seems to be the Wayans way. "We play off each other and we're equals when we go on [set]," says Wayans Sr. "He's going to have stuff in his hip pocket to try to surprise me and make me laugh, and I'm going to have stuff in my back pocket to make him laugh too. But as long as we're doing that, we are going to win, because that's the family formula." — *Damian Holbrook*

### The 5-Year Christmas Party

Sunday  
October 27 8/7c

Courtesy of Hallmark Media

In the spirit of **Hallmark Channel's** 15th anniversary of *Countdown to Christmas*, the premiere of its original movie ***The 5-Year Christmas Party*** will air Sunday, October 27 at 8 PM ET/PT. Starring Katie Findlay and Jordan Fisher, the story revolves around their characters Alice and her old theater school rival, Max, reuniting each holiday season to work at a Chicago catering company's Christmas parties. Over the five years, their chemistry for each other has grown. However, the timing has never been right for a romantic relationship. With their catering company's final season in the offing, they are pushed to confront their true feelings. As they say goodbye to the job that brought them together, will they finally find love in the most unexpected way?

The wait is almost over. **Netflix's** popular series ***The Diplomat*** returns for season two on Thursday, October 31. In addition to a strong ensemble cast, the series stars Emmy®-nominated Keri Russell as Kate Wyler, the American ambassador to England, and Oscar® winner Allison Janney as Vice President Grace Penn. How ironic that Janney played a pivotal character in all seven seasons of the series *The West Wing*, and now takes on the role of VP. Also starring are David Gyasi, Rory Kinnear, Rufus Sewell and Ato Essandoh. As a first-time ambassador, Kate has been exposed to the behind-the-scenes political maneuvering both in the United States and abroad. The series can be intense at times while humorous in other scenes. Season one's last scene left us hanging with a car bombing in London.

**NBC** will debut its new comedy ***St. Denis Medical*** on Tuesday, November 12 at 8 PM ET/PT with back-to-back episodes. The series provides us with a humorous look at an underfunded Oregon hospital, where the doctors and nurses are dedicated to their patients' care, while being understaffed. The series stars Wendi McLendon-Covey, David Alan Grier, Allison Tolman, Josh Lawson, Kahyun Kim, Mekki Leeper and Kaliko Kauahi, whose characters are continually trying to maintain their sanity through various humorous situations in every episode.

## 5 QUESTIONS with ...

# MANU BENNETT

By Barb Oates

©2024 CBS Broadcasting Inc. All Rights Reserved.

*Spartacus* and *Arrow* alum Manu Bennett serves as host of CBS' adventure series *The Summit* (Wednesdays), which follows 16 strangers across the Southern Alps as they try to win a share of \$1 million, which they are carrying in their backpacks. "The Summit is the perfect metaphor for testing one's ceiling of ability," Bennett tells us. "Watching people break through that ceiling is hugely motivating and rewarding." The New Zealander recently caught up with us and answered our "5 Questions."

**1. While trekkers are tasked with some jaw-dropping challenges, how do you watch?** Through a camera lens it's hard to capture the true awesomeness of this mountain, but with cinematographers who have specialized experience in outdoors and mountaineering, I believe we captured not only the thrill but also the terror of our contestants ascending to the mountain.

**2. What has surprised you so far in regards to people you may have underestimated?** You never know the true grit of a person until they are put to the test. *The Summit* forces people to show grit and determination, but they also must have the ability to blend in with a team whilst having a game plan to succeed at one's personal goal, which is to win their share of \$1 million.

**3. Why do you think the emotional side of eliminating people becomes at times more difficult?** Elimination is probably the hardest thing to experience. Like the harrowing opening scene of the film *Cliffhanger*, you let go of someone's hand. Ultimately contestants fall, one by one.

**4. You've overcome incredible hardships in your own life, having lost both your mother and brother in a car accident that also left you in a coma. Where do you channel your strength and perseverance from?** We all learn from adversity. That's life. You get up or you stay down. I know my mother and brother would be proud, and I had a few conversations with them whilst ascending the summit.

**5. What was one of your first jobs in life, and what will you never forget about it?** As a kid, I landed my first role in the school play with one line: "No son of mine will be a poet!" My mother told me the audience fell silent. Now I get the chance to work with CBS, filming on a mountain with the director and camera crews circling in helicopters, whilst I encourage people to reach the summit. I like the transition and hope my drama teacher will be proud.

**HOROSCOPES**

By YASMIN BOLAND

**Skye P. Marshall,**  
a Libra (born Oct. 21),  
of "Matlock"

analyze the situation. You might be better off making a call and following it through. If in doubt, take a deeper look at the situation.

**LIBRA** (Sept. 23 - Oct. 22)

A New Moon in your Money Zone may help you start afresh when it comes to getting your finances sorted. You may have to go for what you really want in a professional setting too. Weigh up your home/life balance. Things will work out when you decide that they will.

**SCORPIO** (Oct. 23 - Nov. 21)

It may be getting toward the end of the calendar year, but you really do have the chance to start again this week. A New Moon in your sign will renew your personal passion and energy levels. If you do turn over a new leaf, there's no turning back.

**SAGITTARIUS** (Nov. 22 - Dec. 21)

You may feel like hibernating this week and ignoring all your problems. It's your prerogative to do that. However, don't deny the fact that you've got some important choices to make regarding love and money. Meditation and reflection will help. Face your fears if you want the best outcome.

**CAPRICORN** (Dec. 22 - Jan. 19)

This may be one of the more potent weeks you've experienced in a while when it comes to other people. Friends, close partnerships and spouses are all going to require your attention. If there is drama surrounding you, avoid it. Do your best to be the calm in the storm.

**AQUARIUS** (Jan. 20 - Feb. 18)

It's never too late to start over. A New Moon in your Career Zone can help you refocus. If you don't work, it could be whatever it is you're known for. Sure, you may have to dig deep to make things happen. Decide what is important to you and do it.

**PISCES** (Feb. 19 - March 20)

This has been one of your more challenging years in a while. By this point, you may be wondering what is it all for. The fact is, it's easier to endure any circumstances if you know what your why is. This week, spend some time probing into your life philosophy.

**In Memoriam: Drake Hogestyn Of "Days Of Our Lives" Has Died At 70**

By Michael Maloney

Drake Hogestyn, beloved as iconic John Black on *Days of Our Lives* since 1986, has died following a battle with cancer. He passed away on Sept. 28, just one day shy of his 71st birthday.

"It's with heavy hearts that we announce the passing of Drake Hogestyn," began a statement released by his family. "He was thrown the curve ball of his life when he was diagnosed with pancreatic cancer, but he faced the challenge with incredible strength and determination. After putting up an unbelievable fight, he passed peacefully surrounded by his loved ones."

"He was the most amazing husband, father, papa and actor," the statement continued. "He loved performing for the *Days* audience and sharing the stage with the greatest cast, crew and production team in the business. We love him and will miss him all the *Days* of our Lives."

"This is a very difficult one for all of us," Ken Corday, executive producer for *Days*, said in a statement. "'Hogey' was the ultimate team player and there are not sufficient words to express how deeply he will be missed. His impact on our show, personally and professionally, was profound and will forever remain unmatched."

Born Donald Drake Hogestyn in Fort Wayne, Indiana, Hogestyn attended North Side High School and continued his education at the University of South Florida in Tampa on a baseball scholarship. He had a double major in microbiology and applied sciences, but his professional heart was set in two worlds — baseball and acting.

Hogestyn played third base on the New York Yankees farm team until 1977. After an injury, he turned to acting and entered a Columbia Pictures talent search. Hogestyn was among 30 chosen from a field of 75,000 contenders. His pre-*Days* credits include a role in the nighttime series *Seven Brides for Seven Brothers*.

The actor's pairing on *Days* with legendary Deidre Hall (Marlena Evans) catapulted the pair to the top of the popularity charts in the soap magazines for decades. "Drake was the easygoing hero every woman hopes to cross her path in crisis or romance," wrote veteran *Days* actress Susan Seaforth Hayes (Julie) on Instagram. "Drake was the buddy every man hopes to never lose. Drake always gave his best. One of those *Days* icons that kept America tuning in for 60 years. And let me tell you fans and friends, his Salem castmates were his greatest fans of all."

WHERE ARE  
ALL THE  
RETURNING  
FAVORITES?

@TVGMMattRoush

**Question:** I'm wondering about a few shows that were not listed in TV GUIDE MAGAZINE's Returning Favorites issue, *Law & Order: Organized Crime* and *NCIS: Sydney* among them. —Dava

**Matt Roush:** Such a confusing time of year, especially regarding shows that were renewed but didn't land a spot on the fall schedule. First off, only the original *The Rookie* series will be back on ABC at midseason; *The Rookie: Feds* was canceled. *Law & Order: Organized Crime* was moved to Peacock, and no premiere date has yet been announced. Streamers don't really adhere to what we think of as a broadcast season or midseason, so it could show up at any time. *NCIS: Sydney* will return on CBS in 2025, airing on Fridays after *Blue Bloods* ends. I'm not sure of the episode count, but it appears to be a half-season run. Here are some of the other renewed broadcast series that won't show up until midseason: On ABC, *Will Trent* and the final season of *The Conners*; on CBS, *The Amazing Race*; on Fox, *Alert: Missing Persons Unit*, *The Cleaning Lady*, *Animal Control*, *Family Guy*, *The Great North* and *Grimsburg*; on The CW, *All American* and *Wild Cards*.

**Hoarders**
**8 pm on A&E**

As George Carlin liked to say, "We all need a place for our stuff." And that place appears to be the house of Bruce and Cathy, who've collected a huge amount of clutter over the years. The team helps them clean out so they can have a healthier space.

**Lioness**
**8 pm on SHOW**
**Season Premiere**

Don't expect a comfortable family life when you operate on the fringes. In this Season 2 premiere, the action gets closer to home when Joe (Zoe Saldana), Kyle (Thad Luckinbill) and the team must retrieve a government official kidnapped by a cartel.

**Brilliant Minds**
**10 pm on NBC**

It's a potential special delivery when Dr. Oliver Wolf (Zachary Quinto) and his team of interns head back to high school to treat a group of pregnant teenagers. However, is this an actual epidemic or could it be a case of mistaken testing?

**Based On A True Story**
**10 pm on USA**
**Season Premiere**

Midlife is misery for Ava (Kaley Cuoco) and her husband, Nathan (Chris Messina), as they struggle financially. When Ava's love of true crime meshes with a serial killer in LA, they see an opportunity to turn their fortunes around.

## American Pickers 9 pm on HISTORY

It takes one to know one, and Mike definitely knows one when he finds a new friend in an old Wisconsin railroad town. While there, he discovers more than he could imagine in a space untouched by time. Then, Robbie falls in love with a DIY DeLorean.

## Grotesquerie 10 pm on FX

## The Diplomat on Netflix

### Season Premiere

Kate (Keri Russell) and Hal (Rufus Sewell) are back in this Season 2 premiere as bickering spouses entrenched in the world of U.S. diplomacy. Could Trowbridge (Rory Kinnear) have had his own ship targeted for political gain? Allison Janney joins the cast.

## Halloween 7 pm on AMC

Fifteen years ago, a young Michael Myers (Tony Moran) brutally murdered his sister. Now, while being transferred for a court date, he escapes and returns to his hometown where he targets Laurie (Jamie Lee Curtis) and her friends as his next victims.

## Hell's Kitchen 8 pm on FOX

Things are heating up for one of television's most competitive cooking shows as chef Gordon Ramsay puts talented culinary experts through their paces as they hope to not only outlast the competitors, but also walk away with a head chef job and \$250,000.

## Ghosts 8:30 pm on CBS

Sam (Rose McIver) and Jay (Utkarsh Ambudkar) try their best to maintain order at their bed and breakfast, even though it's resided primarily by an eccentric group of ghosts who used to live there. It takes more than a basket of scones to keep guests.

# CHEERS & JEERS

by Damian Holbrook  
TV Guide Magazine

X@damianholbrook

## CHEERS TO DOCTOR ODYSSEY

for giving Joshua Jackson (below) a must-sea TV gig.

The seasoned *Dawson's Creek* and *Fringe* fave has never been more entertaining or irresistible than he is playing luxury cruise-line

physician Max Bankman in ABC's escapist ocean-set soap. We are all aboard.

## JEERS TO MONSTERS: THE LYME AND ERIK MENENDEZ STORY

for trying to be a guilty pleasure instead of an impact statement. By opting for a more sordid narrative, Netflix's docudrama about the L.A. heirs (Nicholas Alexander Chavez and Cooper Koch, above), who offed their abusive folks in 1989, largely dismisses the alleged horrors they endured until the killings.

## CHEERS TO MATLOCK

for throwing us a crafty curveball. Far from another reboot of a tired old show, CBS's new take is a twisty thrill ride, especially now that we know Kathy Bates' Matty (below) is secretly out to expose one of her new law-firm colleagues for causing a family tragedy.

## JEERS TO ABC

for casting creeps. It's been reported that both *The Bachelorette*'s engagement-ending jerk Devin Strader (on the latest season with Jenn Tran, above) and *Golden Bachelorette*'s Gil Ramirez had restraining orders filed against them by exes. Forget roses—they need to give out red flags!

### "A Meow-y Christmas To All!"

The Jingle Cats are a pop culture sensation—using nine real kittens that recorded a Billboard Top Ten Album. Now, the Jingle Cats kitten voices are united with the imagery of artist Jürgen Scholz in the "A Meow-y Christmas To All!" Caroling Kitten Tree. **A Carol for Two**  
**8 pm on HALL**

Violette (Ginna Claire Mason) moves to New York to make it on Broadway. A job at a famous theatre district diner gives her the opportunity to impress producers. But her hostility with Alex (Jordan Litz) might lead to love or stardom.

**Whose Line Is It Anyway?**  
**8 pm on CW**

Ryan Stiles, Wayne Brady and Colin Mochrie take ideas from a studio audience and turn them into improv gold thanks to quick thinking and unbeatable comedic chops. With a little direction from host Aisha Tyler, the trio create hilarious moments.

**Happy's Place**  
**8 pm on NBC**

When Bobbie (Reba McEntire) inherits her late father's tavern, she discovers she has a co-owner in Isabella (Belissa Escobedo), a half-sister she never knew existed. In navigating their new roles, both learn that everyone is family at Happy's Place.

**My Lottery Dream Home**

It's a walk down memory lane as host David Bromstad looks back at what he thinks are the 10 best waterfront properties that have appeared on the show over its 18 seasons and highlights the lucky people that get to live at each property.

Ask about our 5 Comfort Zone chair.

You can't always lie down in bed and sleep. Heartburn, cardiac problems, hip or back aches – and dozens of other ailments and worries. Our Perfect Sleep Chair® does all that and more. More than a chair or recliner, it's designed to provide total comfort. Choose your preferred heat and massage settings, for hours of soothing relaxation. Reading or watching TV? Our chair's recline technology allows you to pause the chair in an infinite number of settings. And best of all, it features a powerful lift mechanism that tilts the entire chair forward, making it easy to stand. You'll love the other benefits, too. It helps with correct spinal alignment and promotes back pressure relief, to prevent back and muscle pain. The overstuffed, oversized biscuit style back and unique seat design will cradle you in comfort. Generously filled, wide armrests provide enhanced arm support

when sitting or reclining. It even has a battery backup in case of a power outage.
